

**P.V. Pumpkin Walk to be held at the Historical Mill Site on Main Street in Pleasant Valley. October 23rd and October 24th from 5:30 pm to 8:30 pm**

Come see carved pumpkins light up the night all through the Mill Site.

Anyone can add a carved pumpkin for this event. We will be at the park on October 22nd from 5:30 to 7:00 to receive all carved pumpkins for display. Lights will be provided to light up the pumpkins.

We will have a donation bucket on site to raise donations for the Pleasant Valley Historical Society and the Dutchess County Home Bureau Scholarship Fund to help a local resident go to college.
