What is Solarize?

Solarize Hudson Valley is a regional campaign to make it easier and more affordable for households and local businesses to go solar. Combining the power of community education with a smart group purchasing strategy, Solarize helps everyone learn about solar technology, benefits, choices and financing options – together. Working with highly qualified, pre-selected installation firms and community outreach volunteers, Solarize offers a purchasing discount to all participants.

What is Solarize Northern Dutchess?

- Solarize Northern Dutchess is a volunteer run campaign open to residents and local business owners in all of Dutchess County, NY.
- Launching on March 5th, 2016, people can sign up through June 2016 to receive a free site assessment from one of our solar installation partners.
- By signing up for a free site assessment, interested residents and business owners can learn if solar is a good fit for them.
