Supervisor Campbell noted that e-mails have been going back and forth regarding supplying a dumpster to the Library. Supervisor Campbell noted that in the past a dumpster has been supplied by the Highway Department. Supervisor Campbell stated that last year the Library held two book sales, the Library was told that for the second book sale the Town could not supply them with a dumpster at the Town's expense but Royal Carting did supply them with a dumpster.

Supervisor Campbell noted that she had spoken with the Highway Superintendent and he had asked what would the Town Board like to do in regards to supplying the Library with a dumpster for their book sale.

Councilman Figliozi stated that it was his understanding that the cost to the Town for the dumpster runs between \$350.00-\$500.00 depending on the weight. Councilman Figliozi would like to know if it is legal for the Town to be supplying the dumpster.

Supervisor Campbell also noted that the Library is not the only organization that a dumpster has been supplied to. Supervisor Campbell would like to see maybe establish a policy.

Councilman Latino asked doesn't the Library fall under the Town's budget.

Much discussion took place regarding the Library budget.

Councilman Figliozi would like to know if it is legal for the Town to supply the dumpster to Library or any other organization that would request the use of a dumpster.

Town Attorney, Scott Volkman just hearing about this issue he feels that it wouldn't be appropriate, he did ask the Town Board if they would like him to do a formal opinion and get that information back to them.

The Town Board had much discussion regarding this matter.
