TOWN BOARD COMMITTEE REPORTS:

Public Safety Committee Report – Councilman Albrecht stated that the bridge on Route 44 by Albrecht’s Farm has a hole in and a truck pulling a trailer hit the hole and it caused damage to his trailer. Councilman Albrecht stated that he did call the State DOT and he was told that there was no money at this time to repair the bridge. Supervisor Figliozi stated he will follow up with the DOT.

Councilman Nicholson spoke about some robberies that had taken place at some of the businesses here in Town starting around June 21, 2016. Councilman Nicholson did note that a report of an arrest was made and there have been no further reports of robberies in Town.

Personnel Committee Report – Councilman Nicholson stated that the personnel committee did meet on July 29, 2016 to conduct interviews for the Planning and Zoning openings only one interview was conducted the others applicants weren’t able to make it due to scheduling issues.

Highway Committee Report – Supervisor Figliozi stated that the Highway Department has begun pouring the black top inside the Salt Shed as soon as that is complete the electrical work can get started.

Supervisor Figliozi stated that the bridge work on North Ave. and Sherow Road has started up again. There was an issue with the retaining walls a modification to the walls had to be made before they could continue on with the project.

Legislative Committee Report – Supervisor Figliozi noted that the \$100,000.00 grant that the Town applied for thru Senator, Sue Serino has been awarded it just has to go to the sub-committee for final review.

Recreation Committee Report – Councilman Albrecht noted that letters have been sent out to the local Fire Companies to see if they would like to participate in the Town’s Festival Lights Parade in December. Councilman Albrecht also noted that the festival of lights committee are looking for more food vendors to be part of the event.

Supervisor Figliozi stated that Recreation Director, Sandy Coe is in the process of getting quotes to have some work done to the soccer fields at Bower Park.

Technology Committee Report – Supervisor Figliozi went over windows 10 with the Town Board and stated that the Town will not be upgrading to windows 10 for some time.

II. ESCROW FUND SCHEDULE

A. GENERAL

In order to ensure that the cost of any Engineering, SEQR Experts, Planning, Legal or other Consultants' Fees incurred by the Town of Pleasant Valley with respect to matters before the Planning Board or Zoning Board or Town Board or any other Town of Pleasant Valley agency or

Department (each, individually, a "Board") are borne by the applicants, Escrow Funds shall be submitted by the applicants in every instance described herein. Upon filing an application for any of the following: Subdivision, Site Plan, Rezoning, Variance, Zoning Interpretation, Lot Line Realignment, Wetland Permit, Special Use Permit or any other principal or ancillary land use or development permits or approvals permitted or required under the Town Code, and prior to being placed on any agenda, the applicant shall deposit with the clerk of the respective Board from which it seeks approval (each a "Clerk"), a sum of money in accordance with the table below. The Chairman of a Board shall authorize requests for payment of all fees charged by any Consultants employed by their Board with respect to the applicant's project. "Consultants" shall include without limitation, attorneys, engineers, planners, wetland review professionals, and any other services used by the reviewing Board(s) for purposes of (1) engineering, scientific land use planning, environmental or legal reviews of the adequacy or substantive details of applications for any permit or approval and/or (2) to assist in assuring or enforcing an applicant's compliance with the terms and conditions of any such permits or approvals. Said fees shall be submitted by voucher and paid as approved by the Town Board. Upon completion or withdrawal of a project, and upon a certification by the Clerk of a Board indicating that there are no outstanding professional fees yet billed or unpaid, any funds remaining on deposit at the conclusion or withdrawal of the project shall be refunded to the applicant. If the Escrow Fund is depleted to the amount set forth in Subparagraph "B" herein, prior to completion of the project reviews, the applicant shall reimburse the Escrow Fund as stated therein. If the applicant fails to reimburse the Escrow Fund, the reviewing Board(s) shall cease all reviews of the applicant's project. The Town shall not schedule any applicant for appearances before any Board to discuss any application unless and until the Escrow Funds have been paid. The reviewing Board(s) shall strictly enforce these regulations. In the case of a site plan or subdivision application, in no event shall the chairman sign the final site plan or subdivision plat unless and until all Consultant fees incurred by the applicant have been paid. In all cases, a Certificate of Occupancy shall not be issued unless and until all Consultant fees incurred by the applicant have been paid.

Notwithstanding the provisions of the preceding paragraph, escrow fees may be waived, only upon express resolution of the reviewing Board wherein such Board clearly finds that the subject application is not of such substantial nature as to require consultant review. If at any time during the review process, the Board determines that consultant review is necessary or appropriate, then, notwithstanding any waiver previously granted, it may invoke the provisions of the preceding paragraph which shall be fully applicable as if no waiver had ever been granted.

Item # 5 – Authorizing Interconnection Application with Central Hudson Gas & Electric Corporation for Possible Solar Panel Installation on Town Properties:

Supervisor Figliozi stated that the following resolution just came up but it has been an ongoing discussion with several companies. Supervisor Figliozi stated that the Town has been solicited by several solar companies to use Town property for ground mounted solar panels. Supervisor Figliozi stated much like what the Town had to do with the proposed solar panels for the Salt Shed the company would have to file the application with Central Hudson and then Central Hudson would determine if the company could proceed. This resolution is for the Solar Company to put the application in with Central Hudson. We are not signing any contracts the Town is only allowing the company to do the research.

Supervisor Figliozi read the following resolution:

TOWN OF PLEASANT VALLEY TOWN BOARD

TOWN BOARD RESOLUTION NO.: 138/2016

RE: AUTHORIZING INTERCONNECTION APPLICATION WITH CENTRAL HUDSON GAS & ELECTRIC CORPORATION FOR POSSIBLE SOLAR PANEL INSTALLATION ON TOWN PROPERTIES

WHEREAS, the Town of Pleasant Valley is contemplating soliciting proposals for the lease of Town properties for purposes of the installation of one to two megawatt ground mounted solar panels with the intent to enter into a remote net metering credit purchase agreement whereby the Town would have the right to an assignment of a portion of the remote net metering credits produced by such a facility with a potential right to purchase additional remote net metering credits and with the intent to consider proposals whereby taxpaying residents living the in the Town of Pleasant Valley could receive an option to have the right of first refusal to purchase or subscribe to such a facility subject to certain credit requirements; and

WHEREAS, in order to determine the feasibility of such a program and without any obligation or

offer to enter into any lease with any particular provider, or any provider at all, the Town Board is desirous of allowing SALT Energy Group LLC the opportunity to apply for an interconnection agreement with Central Hudson Gas & Electric for purposes of determining the feasibility of such a program which would be a prerequisite to installing, operating and maintaining a solar panel facility; now, therefore, be it

RESOLVED, that SALT Energy Group LLC shall have the non-exclusive right to and permission to apply for an interconnection for the premises located at West Road, Grid #6363-01-253721 and 25 South Avenue, Grid # 6363-04-795463 and SALT Energy Group LLC shall direct, apply and pay for such interconnection application at no cost and expense to the Town of Pleasant Valley and Salt Energy Group LLC shall provide results of the interconnection application to Central Hudson Gas & Electric Corporation to the Town of Pleasant Valley without any obligation to enter into any lease with SALT Energy Group LLC or any other potential provider of a solar power generation facility.

DISCUSSION:

Councilman Albrecht asked were on South Ave are they looking at.

Supervisor Figliozi stated that it would be Field #2. It is also being looked at if park land can be used for the solar panels

Councilman Albrecht stated aren't they concerned about the flooding.

Supervisor Figliozi noted that they would be in same area as the proposed cell tower was going.

Councilman Nicholson asked where the solar panels would be placed on West Road.

Supervisor Figliozi stated that they are looking at a portion of Redl Park.

Councilman Nicholson asked if this would have to be put up for permissive referendum.

Supervisor Figliozi stated no since no Town funds will be used. It is up to the Town Board but we might want to have a public hearing for residents to learn more about the solar panels. Supervisor Figliozi stated that if the solar panels are allowed to put on park land any money received would have to put toward all parks.

Councilwoman Gross asked about how large the solar panels are and asked exactly where they are going.

Supervisor Figliozi said that they are looking at Field #2 and about three (3) acres at Redl Park. Supervisor Figliozi noted that the company would have to go through site plan approval and the site would have to be approved by Central Hudson and they would have to file the application fee.

Councilman Becker asked how much of the area at Field #2 will be used.

Supervisor Figliozi stated much of whole area.

The Town Board had much discussion regarding this matter

Councilman Nicholson suggested that this be tabled until the September workshop meeting so we can get more information on this project.

Supervisor Figliozi stated that the Town wouldn't be spending any money.

Councilwoman Gross stated that she would like this tabled.

Supervisor Figliozi stated that the company would be doing all the work.

Councilwoman Gross stated that she doesn't want to see solar farms in Pleasant Valley.

Councilman Nicholson would like to more information on SALT Energy Group before letting them do their study, would like to move it to the September 7, 2016 workshop meeting.

***Motion by Councilman Nicholson, seconded by Councilwoman Gross to table this resolution at this time.**

OPEN THE MEETING TO THE PUBLIC:

Motion by Councilman Albrecht, seconded by Councilman Nicholson the Town Board opened the meeting to the public, carried.

Rolando Ghedini – Arbor Hill Drive – feels that the Town should let the company come in and do the study for the solar at the parks since the Town doesn't have to pay for the study.

Councilwoman Gross stated that the Board isn't saying no to the solar we just want to find out more information on the company that would be doing the study.

Joy Dyson – Gretna Road- stated that she is a member of the Library Board and a member of the Planning Board. Joy noted that she used to live up state where the wind towers were put in and stating that they are an eye sore and the Town doesn't receive any energy benefits from the wind towers the energy goes to New York City and Boston.

Supervisor Figliozi stated that the solar panels that will go the Salt Shed should help the Town save money on the electric bids. Supervisor Figliozi also explained the process on the solar farms.

CLOSE THE MEETING TO THE PUBLIC:

Motion by Councilman Albrecht, seconded by Councilwoman Gross the Town Board closed the meeting to the public, carried.

Councilman Albrecht mentioned that on Saturday, August 6, 2016 there was a celebration for his bother Fred Albrecht for his 70 years of service to the Pleasant Valley Fire District and he was presented with many plagues, and he thanked Supervisor Figliozi for the plaque he presented to Fred. Councilman Albrecht stated that Fred was very thankful for the wonderful celebration and all the plaques he received.

Supervisor Figliozi thanked Fred Albrecht for his years of service to the Fire Company and to the residents of Pleasant Valley.

Supervisor Figliozi mentioned that the Medical Reserve Corp. is offering an active shooter preparedness program on Thursday, August 18, 2016 at 7:00PM at the Emergency Response Center on 392 Creek Road, Poughkeepsie. Reservation are required.
