§98-46 Signs

G. **Temporary Signs:** All signs of a temporary nature must receive permits before being displayed, except those specified under Section 98-46(E) Exempt Signs. Planning board approval is not required for temporary signs, except where fluttering devices are also proposed as outlined below, and the Zoning Administrator or any duly appointed deputy administrator shall issue or deny a temporary sign permit within a reasonable length of time. Both the permit and the sign shall note the date of the first day the sign may be displayed and the date it must be removed.

- 1) **Removal of temporary signs:** Upon issuance of a sign permit, a cash security deposit, in accordance with the current fee schedule, shall be deposited with the Zoning Administrator or any duly appointed deputy administrator to ensure removal of the sign(s) upon expiration of the permit period. If any temporary sign is not removed by the expiration of the time limit noted on the application, the Zoning Administrator or any duly appointed deputy administrator, after seven (7) days written notice to the permit holder to remove such signs(s) as computed from the mailing date, and after failure of the permit holder to do so, will cause said sign(s) to be removed, and the case security deposit shall be forfeited to the Town.

This application will be reviewed by the Zoning Administrator. A site inspection will be required to check conformity to the above regulations.
